

## **FOUNTAIN HILLS PHOTOGRAPHY CLUB**

### **MINUTES FOR JANUARY 11, 2012**

John Barra called the meeting to order at 6:40 PM. John introduced new member Pam Aguilu and guests Don Logan and Mike (?). There were 28 in attendance. John also congratulated Carol Budrow for taking both first and second place for her photos in the juried art show currently at the Community Center. Alan Magazine took third place for his photo.

Treasurers Report: Rina stated that the club had \$157 on hand.

Bruce Boyce informed the group that a session would be held Saturday January 14 for those interested in learning the techniques of matting and framing for the upcoming photography show. The location and time TBD depending on the number signing up. A show of hands responding to who would be submitting photos for the February show, revealed wide interest. The submissions may be 3 or 4 per photographer depending on number of entrants and available space.

Show and tell remains a highlight of the meeting with both projected images and print displays from members.

The next field trip will be to the Cave Creek Balloon Festival on January 21. Details available on the club website.

Guest: Mike Wilson gave a PowerPoint presentation on Forensics Photography which described another aspect of the value of photos. He retired as a 20 year veteran for the LAPD employed as a forensics photographer. Mike currently teaches at Scottsdale Community College as part of the law enforcement program. His lecture was both informative and interesting providing insight as to how photos are taken at a crime scene to document evidence.

The next meeting is February 8.

Meeting adjourned 8:45 PM.

Respectfully submitted,

Claire Keyworth, Recording Secretary
